Subject: Docket and FR

Rebecca,

I am sorry I did not get back to you yesterday. I know you are out for the remainder of the week. I did receive your funding information for the FRN and that information was included in the package for the Pavillion comment period extension. The FRN will be posted on Friday.

I just wanted to confirm that the docket staff were made aware of the extension and that the docket will remain open for public comments. I am not sure how the FR office and the docket staff communicate that information.

Just a reminder, I will be out of the office on AL October 12 and will return October 22.
